Institutional Distinctiveness

As an oldest and famous college known for art/science/commerce education in Masturi region the Government Pataleshwar College devoted to meet the needs of higher education and provide a balanced holistic education to students. The prime aim of the college is to propagate knowledge to the student belongs to socially and economically challenged area. Keeping this in mind every effort is being made to develop our student into deserving citizens ready to serve the society and nation in every walk of life. The college is located in the area which creates admission pressure and gathered large number of marginalized (SC / OBC) and girls' students from surrounding villages. It's been a pride privilege that numbers of Girls are increasing constantly in all courses and ensuring better results as well. The strength of the college is highly qualified, senior, well experienced, competent and dedicated faculty members. Research finds a prime position in the minds of the students and faculty and it reflects in the quality of work done so far for the benefit of the society and mankind. The institute has a distinction of being a research centre in two subjects. Three professors in the institution have been recognized as research guide by the affiliated university. As per the tradition of conducting continuously National Level Seminar by our college, national seminar on "Recent Trends in Yoga: Socioeconomic, Scientific and Global Perspective" was organized in the session 2019-20. As money is the resource through which one can create / boost confidence. Maximum of our students are getting scholarships and can support their own studies. This also fills them with confidence and the feel empowered. Many a times our faculties also financially support students. College magazine "CHINTAN" is published every year by the publication cell which reflects the ideas of the teachers and students. To further expand the mentor-mentee relationship, "the mentor-mentee activities" was launched in session 2019-20, in which every Saturday extracurricular activities was organized. Sports are a very important component in any educational programs as it adds to the overall personality and character development of students. College has a big playground and a well-equipped gymnasium. Through the NSS, NCC, YRC, sports activities and the active guidance of Career and Placement Cell, the student get a stage and dais to develop their academic as well as professional, cultural, social consciousness, alertness, responsiveness. With this effect many of them are selected in the Chhattisgarh Police Department, Education Department etc. We are very proud to say that our students are selected in Army as a Soldier. Soldier is real hero of nation. Sports department had given them opportunity to actively participate in Kho Kho, Chess, Volley ball, Athletics etc. Science departments provides them with an opportunity to participate in the university level model competition. With a view to making the education more community based, various outreach programs such as Blood Donation Camp, Health Camp, Road Safety Week, and environmental awareness programme are taken up through the NCC, NSS, Youth Red Cross of the college.
