**Alumni Feedback Analysis Report
(Session- 2019– 20)**

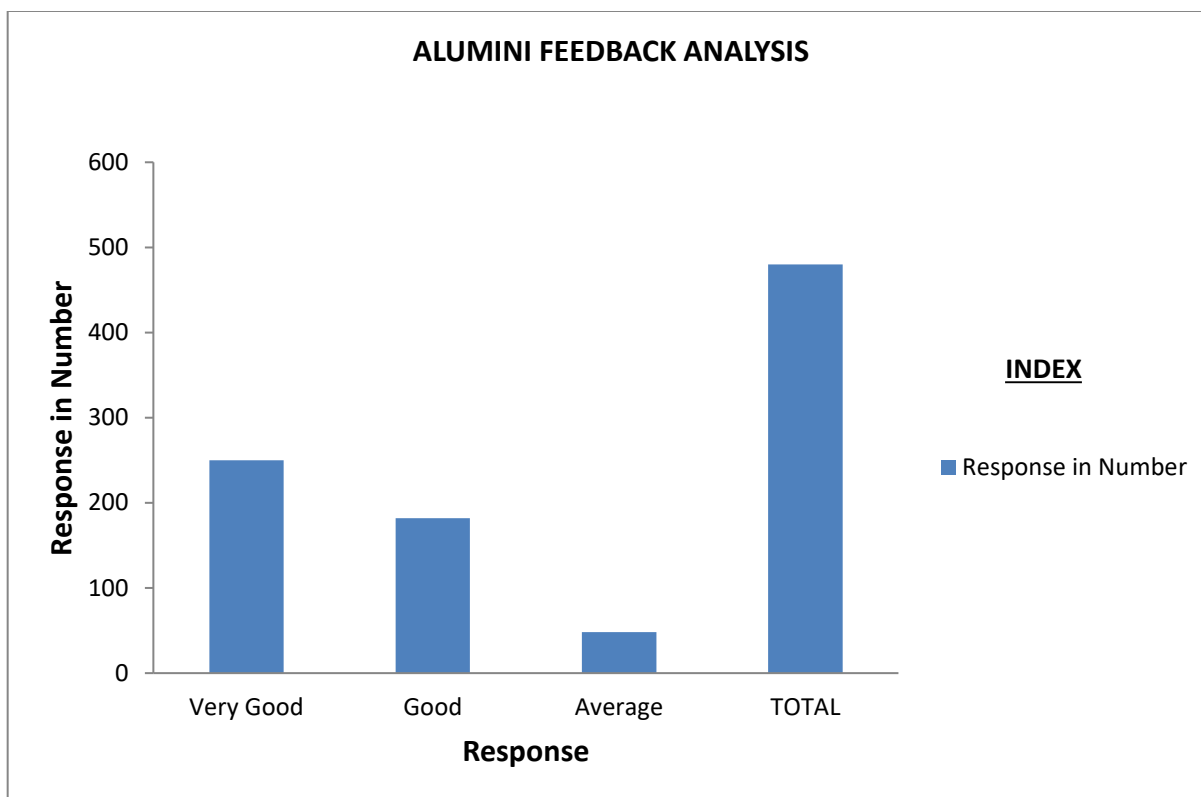

Date of Meeting: February 08,2020

Like every year, a meeting of alumni (ex-students) was convened this year too in the college campus. The alumni (ex-students) attended the meeting with enthusiasm and with a sense of belongingness. The fruitful discussion was held in the meeting between the Principal and the Coordinator of Alumni Committee and the ex-students. The decisions taken in the meeting is going to be fruitful for the institution and the students in near future. The ex-students were given a questionnaire of 15 multiple choice questions. The questionnaire's response was divided into three categories – The first one as excellent, the second as good and the third as satisfactory.

As per the analysis of the questionnaire answered by the ex-students, around 52.08% of them were satisfied with the basic amenities available in the college; while 37.91% termed them good and 10% told them to be satisfactory. The meeting was attended by as many as 32 ex-students.

Suggestions given by the Alumni (Ex-Students):-

After getting the questionnaire answered, the suggestions of ex-students were also sought. The offered following suggestions –

1. Proper drinking water arrangement should be made in the college.
2. Some motivational programs should be held in the college.
3. The approach roads to the college should be proper and improved.
4. The library should be kept neat and clean and the number of books should be increased in the library.
5. Keeping in view the increasing number of students in the college, additional classrooms should be built.
6. The lab is rather congested; therefore, it should be made spacious so that practical works can be carried out smoothly.
7. There is a need of canteen in the college which should be provided immediately.
8. The playground should be extended for sports activities to be held in the college.
9. A proper parking for two-wheelers and four-wheelers should be provided.

10. The students interested in sports should be provided proper guidelines in their respective sports activities.
11. Apart from study of the courses, the vocational or employment oriented course should be started in the college.
12. The fruit bearing trees should be planted wherever spaces are available in the college.
13. The college campus should be made more attractive and better.

Action Taken by the Institute:-

1. The college has sent proposal to RUSA for infrastructural development such as lab, library, auditorium, improvement of drinking water facilities, books and parking place etc. One lecture hall and Auditorium has been constructed in the session 2019-20
2. The college is continuously applying for new courses such as M. Sc., BCA, History at UG level etc.
3. Garden development is being done continuously by the college in the campus.
